Club Information

The Pyrenean Shepherd Club of America was established in 1987 by a small group of Pyr Shep fanciers whose goal was to protect individual Pyrenean Shepherds, and preserve the original breed type. In 2009, the American Kennel Club fully recognized the breed and admitted Pyrenean Shepherds to the Herding Group. The PSCA celebrated its silver National Specialty in 2013. That year the club also received its license by the AKC to hold conformation shows, agility, obedience and rally trials, and herding events, and help its first National Specialty as a licensed club. The club was incorporated as a non-profit organization in 2014. In 2015, the American Kennel Club accepted the Pyrenean Shepherd Club of America, Inc. to full member status, and recognized it as the official parent club of the breed.
